NEW BUSINESS:

Township Hall Sewer Repair: A problem was discovered with our sewer system after Semco Energy ran a camera down our sewer line to find its location. This is when they discovered a blockage. Supervisor contacted Don Allemon to clean out the significant blockage and he could not get it through to clean out. Don Allemon came out a second time and utilized a locator to determine location of sewer pipe. In talking with the Village DPW and Dean Reinhardt and Don Allemon, it is best for us to replace the sewer line behind the township hall. Larry has given us permission in writing to run a sanitary sewer line along the south end of his property 74240 Burk Street. The purpose is to reconnect the township hall sewer system pipe from 23121 East Main to the Village of Armada sanitary sewer system after repair. Larry's property will be brought back to the condition it was prior to the work being done.

Motion by Paterek seconded by Kanehl to pay the Village of Armada \$1,359.00 for sewer connection fee.

Ayes: Finlay, Kanehl, Paterek, Bednar

Motion CARRIED

Motion by Paterek seconded by Bednar to allow Dean Reinhardt to modify the sewer connection in the building raise it to an adequate elevation and run a new pipe to tap to the Village at cost not to exceed \$5,000.00.

Ayes: Finlay, Kanehl, Paterek, Bednar

Motion CARRIED

Motion by Paterek seconded by Kanehl to remain responsible for 25% of any potential sewer blockage at Larry's Automotive until he sells the building, at a cap not to exceed \$2,000.00.
