Phone: (586) 784-9464  
Fax: (586) 784-8586

The Armada Township Fire Department has been in constant contact with the CDC, State of Michigan and the Macomb County Health departments to assure we know the facts and if needed, prepared to provide the best care to our residents.

While the state-wide response to the CORONAVIRUS DISEASE 2019 (COVID-19) may seem over-the-top, these safeguards are put in place to protect a specific group of our citizens. For most people infected, the virus will only have common flu like symptoms. But, for those with compromised immune systems (infants, elderly, cancer patients and the chronically ill) will have more severe symptoms that frequently lead to hospitalization. The National, State and Local response goal is to put aggressive protections in place to greatly reduce the spread of the virus while also keeping the critical care departments at hospitals from being overwhelmed.

At a local level, we have taken some steps to help decrease exposures. Due to the population that is most at risk, the Township has closed the Senior Center until further notice. Also, if you would like approval for legal burning, we will be offering one-month temporary Burn Permits by phone. Please call the Fire station for approval. (586) 784-9464 Ext 1.

The men and women of ATFD are vigilantly on guard prepared to serve this great community.

Respectfully,  
Christopher Krotche  
Fire Chief
