

NEW GUIDELINES FOR TRANSFER SITE

Stay at home if you are the least bit sick.

While on site please maintain a social boundary of at least 6 feet.

There will be a limit of 6 trash bags or 4 trash cans (This limit of trash has been set by the Supervisor **Not** the Sanitation company)

No household items or scrap metal during the State of Emergency.

Do not interact with anyone unless absolutely necessary.

Staff from Sterling Sanitation will be wearing proper PPE.

We recommend that the general public wear the proper PPE as well.

We would like to thank our citizens for their cooperation and understanding in this very difficult time.
