NEW BUSINESS:

Set public hearing for fire S.A.D. rate: Swiacki moved Smith seconded to set public hearing for November 13, 2013 at 7:00 p.m. to hear comments concerning the proposed special assessment increase, estimate costs and expenses of providing fire protection as determined by the Township Board for fire protection as approved in 1986.

In discussion Supervisor Paterek questioned if the board and I've talked to the chief if it would include police coverage in that? Clerk Swiacki stated that the SAD is specific for fire protection. Police coverage would be separate. Supervisor stated it does say you can raise the mills for fire and police with a public hearing.
