**MEMBERS ABSENT:** Smith

**PUBLIC COMMENTS:**

**NEW BUSINESS: LIMESTONE:** Supervisor Paterek stated that he and Trustee Lobeck drove the dirt roads around the township and after thorough consideration they found that the roads I most need of limestone are:

34 Mile Road, ¼ mile east from Romeo Plank  
34 Mile Road, ¼ mile east from Coon Creek  
This will finish the link between Armada Ridge and Romeo Plank

McPhall Road, ¾ mile east from Coon Creek  
This will finish the link between North Avenue and Coon Creek

Hicks Road, .3 mile north of 32 Mile Road  
Hicks Road, .3 miles south of Armada Ridge  
This will complete the link between 32 Mile Road and Armada Ridge

Pratt Road 1.3 mile west from Omo Road to the bridge west of North Avenue

If additional limestone is available we would like to continue Pratt Road west from the bridge.

Supervisor Paterek stated that we will contact the Department of Roads and ask that they pay special attention to grading the standing material along the side of all of our roads to reduce the standing water along the edges. If there is a future limestone program available through the Department of Roads in 2013 we would like to complete Pratt Road through to Holmes Road and then Holmes Road to Bordman. This would take about 2.7 miles of material, then use the rest to start going south on Coon Creek. If we receive more material this year we would be able to extend the limestone further south on Coon Creek.

Paterek moved Lobeck seconded to approve limestone plan as presented. **Motion CARRIED**  
(The board received letters from residents Jessie & Ken Kanehl and Al Goetzinger)
